

How Do I Make a Gift to the Employee Assistance Fund?

The Employee Assistance Fund (EAF) campaign is held each February, although contributions may be made anytime throughout the year. Pledge cards are distributed with paychecks during the first week of the campaign.

There are two ways to give:

- Make a one-time contribution by cash, check or credit card.
- Pledge your gift by payroll deduction or multiple credit card payments.

Gifts are tax deductible and are welcome in any amount.

For more information about the Employee Assistance Fund campaign, call the Kettering Medical Center Foundation at extension 58607.

Kettering Medical Center

Employee Assistance Fund Campaign

Each day, KMC employees work to maintain the health of our communities and care for people who are sick. The KMC Employee Assistance Fund was created in 1989 to give employees an opportunity to show their concern for each other.

What is the Employee Assistance Fund?

The Employee Assistance Fund (EAF) is a fundraising campaign by employees for employees. Coordinated through the Kettering Medical Center Foundation, the EAF is led and implemented by a committee comprised of employees who represent Kettering Memorial Hospital, Sycamore Hospital, Kettering College of Medical Arts, and the Kettering Affiliates Health Services programs.

Contributions to the EAF campaign provide assistance to employees experiencing a financial crisis. Every dollar donated goes directly to assisting Kettering Medical Center employees and is tax deductible.

The EAF also supports an emergency employee loan program. This is a no-interest, short-term loan. Application forms for these programs can be found in the Employee Assistance office. Call extension 58194 for an appointment.

"I could hardly believe it when I heard from the EAF Committee, that there was a way out of the financial hole I was in after being sick for so long. Thanks to the Employee Assistance Fund, I was able to make my car payment. I want to pass on my deep appreciation to everyone who contributed to the Fund. I couldn't have done it without them. God bless you!"

"My power was turned off and it was cold outside. The money I received got the power turned back on. If there is anything I can do to help someone else the way that I was helped, please let me know."
