

Celebrate Life *with* **COLOR**

This fall Kettering Medical Center Foundation will plant 3,000 tulip bulbs at Kettering Medical Center. When spring arrives, these beautiful tulips will remind us of the special people in our lives who have been touched by cancer.

Purchase bulbs in honor of, or in memory of these special people in your life! The Foundation will send a special note to the individual(s) or their family advising them of this special tribute.

Cost: \$1 per bulb or one dozen bulbs for \$10

*Proceeds benefit Kettering's Oncology Services
to help better serve our cancer patients
and their families.*
